

## 2022 Membership Application

Membership in the Association entitles you to attend our monthly General Membership meetings, networking events that feature keynote speakers, access to discounted services, local advertisement, exposure and information sharing and your business' name will be in our Referral Service. Your business will be able to participate in charitable events and will have an opportunity to provide a forum to address local issues and/or concerns related to your business. Membership also gives your business an opportunity to broaden your customer base and your business can be featured at monthly General Membership meetings.

If your business would like to host a networking event – please contact Nancy Grennier to coordinate one.
